*SIGNATURE (S) OF BIDDER(S)*
ANNEXURE G: CERTIFICATE OF INDEPENDENT BID DETERMINATION FORM (SBD 9)

1. This Standard Bidding Document (SBD) must form part of all bids invited.

2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds.

3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
   a) Disregard the bid of any bidder if that bidder or any of its directors have abused the organisation’s supply chain management system and or committed fraud or any other improper conduct in relation to such system.
   b) Cancel a contract awarded to a service provider of goods and services if the service provider committed any corrupt or fraudulent act during the bidding process or the execution of that contract.

4. This SBD serves as a certificate of declaration that would be used by organisations to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
   a) In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:
      • Includes price quotations, advertised competitive bids, limited bids and proposals.
      • Bid rigging (or collusive bidding) occurs when businesses that would otherwise be expected to compete secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and/or services through a bidding process.
      • Bid rigging is, therefore, an agreement between competitors not to compete.

I, the undersigned, in submitting the accompany bid (Bid number and Description): ........................................

In response to the invitation for the bid made by the Comrades Marathon Association, do hereby make the following statements that certify to be true and complete in every respect. I certify, on behalf (Name of Bidder):

..............................................................................................................................................................................................

that:

a) I have read and I understand the contents of this Certificate;

b) I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;

c) I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;

d) Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;

e) For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
   • has been requested to submit a bid in response to this bid invitation;
   • could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and provides the same goods and services as the bidder and/or is in the same line of business as the bidder.

f) The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium will not be construed as collusive bidding.
g) In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
   a) prices;
   b) geographical area where product or service will be rendered (market allocation);
   c) methods, factors or formulas used to calculate prices;
   d) the intention or decision to submit or not to submit, a bid;
   e) the submission of a bid which does not meet the specifications and conditions of the bid; or
   f) bidding with the intention not to win the bid.

h) In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

i) The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract. 
   Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

j) I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
